Message from the President of the Lions Club of Hastings

I am delighted and honoured, in my first year as President of Hastings Lions Club, to be involved with this amazing event that continues to bring the local community together and stands as one of the most recognised and prestigious events in the Hastings calendar.

Myself, and my fellow Lions, are thrilled to be again working alongside the Nice Work Team, an established race management company, where we continue to develop and nurture a great and positive working relationship.

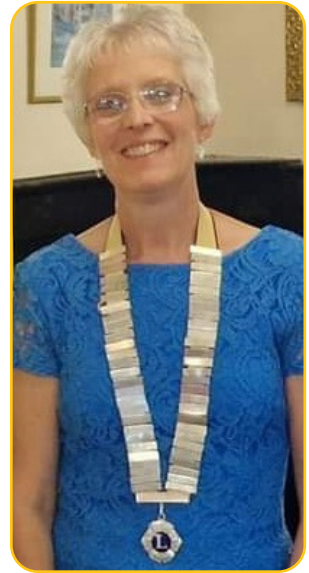

The half marathon provides an opportunity and platform for all those who wish to either raise funds for their own personal charities, challenge their own physical fitness or simply run for fun and we admire the dedication and tenacity of all the participants in both the half marathon and the junior mini run.

Hastings Lions Club makes donations throughout the year to many worthy causes both locally, nationally and internationally and your generosity and support for this event allows us to continue supporting the local community and beyond. Since March 2024 we have donated over £44,000 to many needy causes and individuals in Hastings and surrounding areas.

I would like to recognise, acknowledge and thank all those who continue to help with this event such as Hastings Borough Council, area marshals, route marshals, scout and youth groups, local businesses and organisations, computer operators and the many other unpaid volunteers. Without your support this event simply could not take place.

I would also like to extend my thanks and gratitude to all our sponsors, some who have supported us for many years and continue to do so, and a heartfelt welcome to our new sponsors this year. Your support for this event is truly appreciated.

Finally, I wish all those participating the very best of luck in achieving your own personal goals and hope that those watching and supporting the runners on the day enjoy cheering them on with much clapping and smiles. Let's hope that the sun shines!

Message from Race Director 2025

Nice Work HQ is a hive of activity as we make our final preparations for the 41st edition of the legendary Hastings Half Marathon!

This is our third year helping the Hastings Lions in the organisation and the delivery of this iconic event and it's most certainly our favourite event of the year.

And for so many reasons. We love how the Hastings community come together to help and support our 3000 runners as they pound the challenging 13.1 mile course circling the town. The runners themselves, for whom many are running for a cause close to their hearts, are chasing the challenge (or a course PB) and raising huge amount of money for good causes in the process.

The 300+ kids are worthy of a mention as they take on the one mile in the Mini Run. Seeing them race down the finishing straight to the huge cheers of the crowd is a site to behold. Will we have a future winner of the half marathon among them?

As Race Director, my source of pride is seeing a year's worth of planning come together on the start line. Nothing prepares you for the sight of the never ending start funnel of runners in their colourful club and charity tops, and the odd inflatable dinosaur or Wonder Woman among them. Then the buzz of anticipation as we await sight of the winners along the seafront and then the cheers, you can actually feel the excitement in the air!

But none of this is possible without the help of our 200 strong volunteers, marshals and supporters around the course. We love how many come out of their homes and turn out in this beautiful seaside town to support the runners.

This is what makes the Hastings Half Marathon so special. It's about community and people doing what they love to do. Good luck to everyone taking part on the 23rd March and see you on the start line!

From The Mayor

It's a real honour to be able to support the half marathon. Apart from myself all my family have taken part in the race over the years with my eldest son having completed 10 half marathons - mainly thanks, obviously, to my cheering him on!

Working in sport I recognise the amount of time and effort it takes to organise such a successful event and I would like to say well done to all the team, Lions Club, volunteers and marshalls who work together to make it happen.

Finally good luck to all the participants and I look forward to setting you on your way and there to welcome you back and join you in celebrating your individual successes.

Good Luck to all and hoping for good weather.

Cllr Judy Rogers,
Mayor of Hastings.

Pacers

Thank you to our Pacers for this year, this is not an easy task at Hastings, so please thank them afterwards.

They will be noticeable by the flags they will be displaying and their race numbers.

A Short History of the Hastings Half Marathon Brasses

By John Cattaway,
Hastings Lions - Entries & Results Sec

The famous Hastings Half Marathon Horse Brasses started with the 1998 event sponsored by Hollingsworth Motor Company and for the first few years the theme for the brass was the Battle of Hastings and King Harold.

In 2004 we involved the Cinque Ports with a fishing boat and in 2006 Hastings Castle came into view on the brass. 2007 led to the famous fishing net huts in the old town and in 2008 the East Hill Cliff Lift appeared and also a special brass to celebrate the Hastings Centennial Marathon of 1908 being repeated in 2008.

The 25th anniversary of the event occurred in 2009 and fishing boats appeared again on the 2010 brass. 2011 saw a sand and sandcastle image and in 2012 the famous John Logie Baird of Television history was incorporated together with another special celebrating Hastings hosting the Olympic Torch relay through the town.

One of the celebrated people of Hastings, Grey Owl was given a place on the 2013 brass and 2014 saw the 30th anniversary of the event.

2015 saw King Harold return and also saw a once-only race on the new Hastings to Bexhill link road before it was officially opened. We celebrated the 950th anniversary of the Battle of Hastings in 2016 and Battle Lions had their 'Way to Battle' race across country via fields and roads.

Hastings Pier appeared on the 2017 brass when the pier reopened after a refurbishment and in 2018 the famous 'Ghost of Dunkirk' Lifeboat was depicted and this helped to rescue an estimated 3000 troops from Dunkirk. The 2019 brass featured the sculpture in the Race Gardens of King Harold and his common law wife Edith Swanneck.

Although a brass was produced for the 2020 event depicting Alan Turing, due to covid, it was not until 2022 when the brass was reproduced with Alan Turing again. He spent some of his childhood in Hastings and was considered as the father of modern computer science and developing his BOMBE in regard to working as a codebreaker during the war.

2023 saw Happy Harold trolleybus, a 1928 restored vehicle and the sole survivor of a group of 8 open-top trolleybuses which were in service right up to 1959. And finally this years brass celebrating the 40th anniversary of the race which started in 1984.

“The Spirit of Cricket” Statue

“THE SPIRIT OF CRICKET”.

Unveiled by HER MAJESTY THE QUEEN to celebrate the opening of Priory Meadow Shopping Centre.

Priory Meadow Shopping Centre is built on the site of the former Central Cricket and Recreation Ground on which the game was enjoyed for over 130 years. Commissioned by Boots Properties PLC. Sculptor - Allan Sly FRBS 6th June 1997.

Local resident and cricket enthusiast, Michael Gould recalls the glories of the unique seaside cricket ground that once stood on the site of the Priory Meadow Shopping Centre – and anticipates a shining future for the young guns of Hastings & St. Leonards Priory Cricket Club, the “Community Club.”

As you trundle around Hastings’ Boots, Waterstones and M&S, spare a thought for some heroes of the past. The cricketing giants of yesterday are personified by the bronze action figure of a cricketer in the square of Priory Meadow shopping centre, as he almost nonchalantly hooks the ball (which may be seen high on the wall above Hinds, the jeweller’s shop) for a six. The ball, strangely, is green, and the player is Ian Botham.

Priory Meadow shopping centre stands on the site of the old Central Cricket & Recreation Ground (1864-1996), where the historic Hastings and St. Leonards Priory Cricket Club played most of its matches before the move to Horntye Park, high up on Bohemia Road. On Horntye’s walls hang photographs of some of the most famous international touring cricketers of history together with many Hastings Priory team photographs of the last 50 years: Sir Donald Bradman, Richie Benaud, Sir Denis Compton, Wes Hall, Charlie Griffith and Sir Garry Sobers, together with a host of others look out from these pictures, alongside Priory heroes like Michael Yardy (Sussex & England), the late Alan Oakman (Sussex & England) and Harry Finch (currently playing for Sussex) who have all competed at either the old Priory Meadow, or at Horntye Park. This unique collection of pictures is an inspiration to all who now represent Hastings and St. Leonards at the Priory Club, and seek to become the heroes of tomorrow.

Before the building of the Priory Meadow Shopping Centre, the old ground acted as a magnet for all who loved our Great Game, and during the Hastings Cricket Festival, thousands visited both from Sussex and all over England to watch their heroes in action. While most of the ladies were perhaps shopping or visiting the hairdresser, the men would visit the ground to watch cricket of the very highest quality. Phil Wren, who joined the Club in the late 50's as an apprentice and is still to be found on the steering committee of Hastings & St. Leonards Priory, vividly remembers being schooled in the principles of groundsmanship and recalls Mr. Coote and how the old 'Coote Stand', which honoured his name, was replaced by shops now standing at the bottom end of Queens Road. During the Hastings Cricket Festival, Phil felt privileged to clean the boots and pads of many of the world-famous players present, and even, indeed, to advise visiting captains whether to choose to bat or bowl first from his intimate experience of this seaside wicket.

But for the cricketing sculpture in the square, you wouldn't know that such a celebrated and important arena once stood, green and serene, at this central hub of our historic town. Two World Wars with cruel enemies could not destroy the tradition that was represented here; it was British developers' bulldozers that put an end to it.

The Hastings & St. Leonards Priory Cricket Club has survived to fight another day at Hornty Park's wonderful ground. But as you sit in the square or around Queens Road, resting your weary feet and contemplating a cappuccino, do take a look at the statue of a young man in the prime of life, and remember the remarkable tradition that is so quietly celebrated here in the very centre of Hastings.

First Class Cricket Ground

Now, young men take the place of heroes of the past on the green field at Hornty Park, which when established in 1996 was the first First Class Cricket ground created for 100 years. These young men now compete to return to the First Division of the Sussex Premier League, and will have a fight on their hands to return to the top ranks where so many of their forebears have met with success.

Andy Knight

Race Commentator

We are delighted to have each year a fantastic race commentator in Andy Knight.

We thought you would like to see what the man behind the voice looked like!

Andy is a very experienced commentator and radio presenter, who works a lot for More Radio.

But besides this he is a valued member of Hastings Runners, and a regular volunteer at Hastings Park Run. A good runner in his own right, he has the ability to identify with runners from his own experience. He has run Hastings Half many times.

He tries, with help, to name as many finishers as possible as they go over the finish line, and I am sure you will agree he does an incredible job.

We are very fortunate indeed to have someone with his class and knowledge, who sounds great on The PA system.

Thank you Andy.

A look back on 2024:

Seyfu Jamaal and Grace Baker take the title as HHM turns 40!

The HHM turned 40 in style as the event turned red for the ruby year. Seyfu Jamaal and Grace Baker took home the titles in the men and women's race respectively in a day that saw over 3000 entrants celebrate Hastings. Over £50,000 was raised for local good causes and the weather didn't spoil proceedings for once! One of the 10 'Heroes of Hastings', Jeremy Creed, signed off his last HHM after completing every single event in the race's history.

Unlike traditional headphones that use speakers to transmit sound vibrations through the air, SHOKZ uses patented bone conduction technology.

Transducers send vibrations through the cheekbones and deliver sound directly to the inner ear, bypassing the eardrum.

This unique feature makes bone conduction headphones completely different from normal in-ear/over-ear headphones, allowing you to listen to music and also remain connected to your surroundings.

Benefits Of Bone Conduction

COMFORT - Over ear design means pain free use

SAFETY - Always aware of your surroundings as no in ear wearing

HYGIENE - Ear canal is clear, preventing wax build up

ALSO WITH MICROPHONES ADDED - For use with phone calls

WHERE THERE'S A NEED THERE'S A LION

What do we do?

Broadly speaking, we raise money and give it away to good causes, as well as running events and assisting other charitable and civic organisations with theirs. Our biggest fund raiser is the annual Half Marathon, but we do other things as well; an annual Golf Day and store collections for Surviving Christmas amongst others.

Who benefits?

Most of the money we raise is spent in Hastings and St Leonards. Come along to one of our meetings and see for yourself.

What is the commitment?

- Two meetings each month.
- A 2 hour business meeting, which we would expect you to attend whenever possible, and a dinner meeting which is not compulsory.
- As much free time as you can spare, but family must come first.

What's in it for you?

Meet new people, make new friends. Help others and gain fun and satisfaction whilst giving something back to your community.

What will it cost?

Approximately £1.50 per week.

Why not join us?

We meet on 2nd Tuesday in the month, at White Rock Hotel, at 7.30pm. Working with other like-minded people and Lions clubs throughout the South East (and beyond) can be great fun and very rewarding.

Since Covid-19 we have still been able to donate over £66,000 to local, national and international needs.

LIONS CLUB OF HASTINGS
WE SERVE

The Lions Club of Hastings is **one of over 46,000 clubs** with more than 1.5 million members located in over 200 countries around the world.

Lions Clubs International is a **non governmental service** organisation founded in 1917 by Melvin Jones.

Our club was chartered in 1969 and **serves the Borough of Hastings and St. Leonards.**

Over the past 20 years, the **Hastings club has donated over £1,000,000** to local organisations, community groups and individuals in need, across the borough.

Our aim is to support our community and we are renowned not just for our financial support in the form of grants, but also practical **support with fundraising activities including events organised by other charities.**

Hastings Lions Club organises a number of annual events including supermarket collections and for over 30 years has held an annual charity golf day at Highwoods Golf Club as well as the Hastings Half Marathon which attracts **thousands of participants every year.**

HASTINGS RUNNERS KEITH CHANDLER 5 MILE MEMORIAL RACE

This fantastic seaside race returns for its 18th anniversary year. Starting and finishing in the town centre, the race attracts an average of 400 - 500 participants. This is a flat seafront route, enjoying plenty of sea views along the way.

In memory of former runner Keith Chandler, the race has raised over £70,000 for St Michael's Hospice.

All runners will receive our newly designed medal, which has been sponsored this year by local company 'Medica Group.' There are also opportunities for various age cat/winners trophies and awards.

Congratulations on completing the race.

Ours is a runbritain-licensed event and therefore your time is included in calculating your free runbritain handicap score. Almost 90,000 runners of all standards have now claimed their runbritain handicap score. As well as giving you a current score, between scratch and 36.0, your free personalised running biography page includes your current national ranking by age band and postcode, your position on the national ladder, your progress graph, your strongest distance, a head-to-head comparison with other runners and downloadable training schedules to improve your score next time you race. Your handicap score also updates automatically every time you complete a licensed event.
